 - eclipse-PDT, Php5.25, Mysql5, Apache2.2
 - recode using VB.Net, C#, Mssql
 - ported to VB.Net (optimization)
- Mobile/Web Inventory System
 - J2ME, C#, MSSQL
- SIP IMS (Application for mobile devices that use IMS)
 - SDS 4.0(java) eclipse 3.3 mobile, Mysql (DB)
 - JSP (Backend host), Php (Social Network Site)

Team Lead / Software Developer

Dec 2006 - Dec 2007

Blue-Eyed Dragon Technologies Phils., Inc.

Developed:

- Radio Frequency Identification (RFID) Inventory System
 - Developed Inventory System that used RFID
 - C# 2005, MsSql 2005, MS Access 2003
 - HP Pocket PC x11-21204, Omron V720-HMF01
- E-Commerce Web Site
 - Developed admin management system
 - Cold Fusion MX7, Oracle 10G, CentOS

- Mobile Games
 - Developed J2ME Games
 - Developed Flashlite 1.1 Games

Software Developer

May 2006 - Dec 2006

AAMEnterprises

Developed:

- Online Tracking/Routing Web Application <http://fastrouting.com>
- Online Recruitment Web Application www.fastrecruiting.net/
Software/Platform: .Net2005, MsSql2005

Setup and Maintained

- Oracle Reports
- Reports' Page (C#)
Software: Oracle 10G Http, Db Server, .NET2005

Independent IT Consultant Projects:

- Ecommerce Websites
 - <http://topamania.com> (zencart)
 - <http://kitchennaturals.com> (html / css)
 - <http://dropshipunlimited.com/> (magento)
- Ordinary Websites - apache / php / mysql / html / css / js
 - <http://accessrmi.com> - Mafre / insular, networking information
 - <http://gasservicestationforsale.com>
- Mobile Applications
 - FindTaxa - Android app (compute shortest path between the 2 points and taxi rate)
 - <https://play.google.com/store/apps/details?id=com.kbs.findtaxa>
 - Mobile Data Link - Sales, Inventory, RTV; with web interface module)
 - J2ME / C# / MSSQL / IIS
 - Wedding Invitations - IOS
 - <https://itunes.apple.com/us/app/kalidad-wedding-invitations/id895363390>
- Dynamic Web Applications
 - <http://bcerac.ca>
 - Developed registration and administration modules (C#/Mssql)
 - <http://www.canon.com.sg/ycy>
 - Implementation of new features
 - Spring / jboss / jpa
 - Yaktails - Construction activity logging system
 - Database architecture & implementation of web service

- apache / php / mysql
- ihavetoknowmore.com - Background check website
 - Architecture and development
 - JavaEE6 / postgresql / Wildfly8 / jpa
- Weddinghighway - Wedding directory with online tools for bride and vendor
 - <http://weddinghighway.com>
- Probation Case Management System
 - Architecture, development and maintenance
 - Spring MVC
- MySalesConnect
 - Lead sales platform
 - Backend REST API development
 - Spring Boot/Angular
- TeraWHARS
 - Sellout platform for digital products
 - Architecture and development
 - Angular/JavaEE/Wildfly/PostgreSQL
- Wordpress Websites - setup, configuration and theme update
 - <http://kalidadprintsandfavors.com>
 - <http://templatesandvectors.com>
- *More available upon request

Seminars, Training & Hackathons

Attended:

Ericsson IMS 3G Technology
 Globelabs Mantrade Makati City, Philippines
 February 1, 4-5, 2008

Sun Tech Days
 Shangrila Makati City, Philippines
 June 18-19, 2008

Forum Nokia Code Camp
 Intercontinental Hotel Makati City, Philippines
 August 26-27, 2008

Windows Mobile Training
 Globelabs Mantrade Makati City, Philippines
 December 15-16, 2008

Forum Nokia Code Camp
 Intercontinental Hotel Makati City, Philippines

February 10-11, 2009

Blackberry Training

Globelabs Mantrade Makati City, Philippines

March 11, 2009

Android Developer Workshop

SMS Convention Center, Mall of Asia, Pasay City, Philippines

April 19, 2010

Angelhack Manila Spring

A-Space Manila

July 26-27, 2014

Languages:

Filipino, English, Nihongo
